Frustrated by your academic results? Feeling sad and bored? Go to the library and borrow this book, you will definitely feel better after reading a page or two.

The Undomestic Goddess is written by Sophie Kinsella, the author of the famous Shopaholic series. Just like any book she has written, The Undomestic Goddess is an extremely entertaining novel. It is about a workaholic lawyer, Samantha, making a huge mistake and trying to avoid her own mistake by running to the countryside. Accidentally, she becomes a domestic helper in a rich family. As Samantha does not know anything about housekeeping, loads of hilarious things happen in the house that she works.

Apart from the interesting storyline, another great thing about this story is that it is written in colloquial English so it is not difficult to follow. Did Samantha learn to be a good housekeeper? Did she give up and return to the city? Go and find it out yourself!
